My Story

1. Do you have a favorite family recipe that has been passed down through a few generations? What sorts of things, recipes or otherwise, would you like to pass down to your children?

Digging Deeper

2. What is the parallel point Paul wants to make about covenants that people make between themselves and the covenant God made with Abraham (v.15)? Why is this important?
3. Why is it essential for Paul that God's promise to Abraham came before the Law was introduced (v.16+17)?

4. How does Paul's use of the word "inheritance" (v.18) shape our understanding of God's promise?

Reflection

5. What promises from God's Word have encouraged you the most over your Christian life? Why?
6. In what ways do you see God's faithfulness reflected in your own life, despite your imperfections?
